

PE and Sport Premium Review

2022-2023

Report by Trevor Steward

Online Reporting

One of the funding requirements for the PE and Sport Premium is that schools must publish details of how they spend their allocation.

This must include:

- The amount of premium received.
- A full breakdown of how it has been spent (or will be spent).
- The impact the school has seen on pupils' PE and sport participation and attainment.
- How the improvements will be sustainable in the future.

The 5 key indicators to see improvement across are:

- The engagement of all pupils in regular physical activity - the recommended guidelines is at least 60 minutes a day, of which 30 minutes should be in school.
- The profile of PE and sport is raised across the school as a tool for whole-school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

Subject Leader: Trevor Steward (Temporary)
Total PE and Sport Premium Allocation: £ 17,800
